UMM and WCROC highlighted in The Furrow

Summary: The renewable energy efforts of the University of Minnesota, Morris and the West Central Research and Outreach Center are highlighted in the December 2005 issue of The Furrow. The article is titled, "Power of the Future."

(December 2, 2005)-Cory Marquart, a scientist with the University of Minnesota Renewable Research and Demonstration Center at Morris is quoted in the article titled, "Power of the Future - Tomorrow's farmers and ranchers will provide food, fiber. . .and fuel." He says, "We hope to provide a model to show how rural communities and ag producers can integrate renewable energy systems into their economies."
